

## Group 26

### Xpense Tracker

#### GUI TESTING

##### 1. Home Page:

Feature	Outcome
Home Button	Works Properly, redirects to the home page
Track Expenses	Works Properly
About Us Button	Works Properly
Login Button	Works Properly redirects to the Login page
Sign Up Button	Works Properly redirects to Register page

## 2. Register for Employee/Manager Profile:

Feature	Outcome
First Name Text Field	Works Properly
Last Name Text Field	Works Properly
Email Address Text Field	Works Properly
Date of Birth Field	Works Properly
Date Button	Displays Valid Dates
Contact Number Digit	Works Properly
Password Field	Works Properly, Password is hidden
Eye Button (Password Field)	Password is hidden/displayed accordingly
Confirm Password Field	Works Properly, Password is hidden
Eye Button (Confirm Password Field)	Password is hidden/displayed accordingly
Employee and Manager Radio Buttons	Works Properly, only 1 selected at a time
Sign Up Button	Works Properly, redirects to Login Page
Sign In Button	Works Properly, redirects to Login Page

### 3. Login Page for Employee/Manager Profile:

Functionality	Outcome
Email address text field	Works properly
Password text field	Works properly, Password is hidden
Eye Button	Works Properly, password is hidden/displayed accordingly
Employee/Manager Radio Button	Works Properly
Sign In Button	Works Properly
Forgot Password Button	Works Properly, redirects to forgot password page
Create Account Button	Works Properly, redirects to register page

#### 4. Forgot Password Page for Employee Profile

**Forgot Your Password?**

Email address  
berakhm10@gmail.com

Employee       Manager

Request Reset Link

Feature	Outcome
E-mail address Field	Works Properly
Radio button	Works Properly
Request Reset Link button	Works Properly, send mail to registered mail

OTP  
yH8lk4p

Password  
\*\*\*\*\*

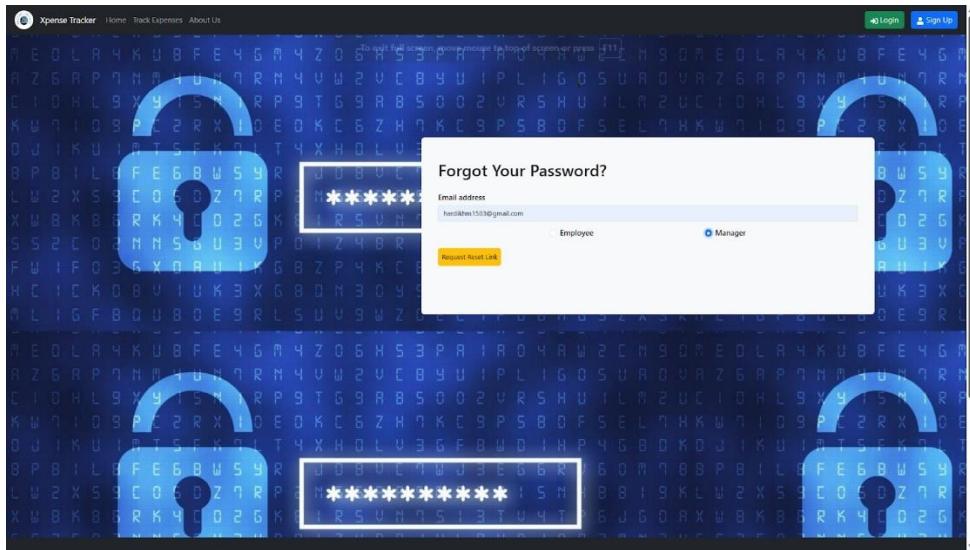

Confirm Password  
\*\*\*\*\*

Employee       Manager

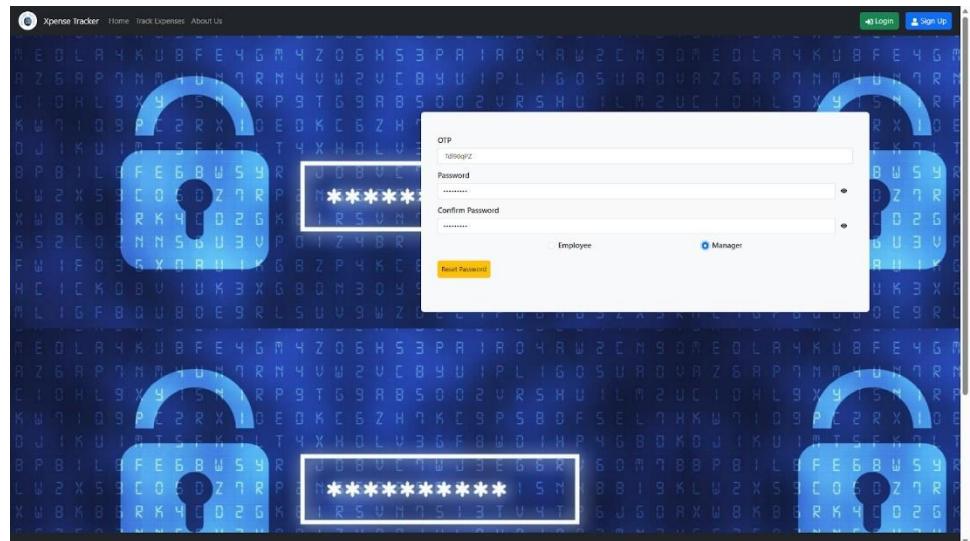

Reset Password

Feature	Outcome
OTP Field	Works Properly
Password field	Works Properly
Confirm Password field	Works Properly
Radio Button	Works Properly
Reset Password button	Works Properly, change the password

## 5. Forgot Password Page for Manager Profile:

Feature	Outcome
E-mail address Field	Works Properly
Radio button	Works Properly
Request Reset Link button	Works Properly, send mail to registered mail

Feature	Outcome
OTP Field	Works Properly
Password field	Works Properly
Confirm Password field	Works Properly
Radio Button	Works Properly
Reset Password button	Works Properly, change the password

## 6. Profile Page for Employee:

The screenshot shows the Employee Profile page. At the top, there's a navigation bar with 'Xpense Tracker' logo, 'Home', 'Track Expenses', 'About Us', a notification bell icon for 'Aarav Patel', and a 'Logout' button. Below the navigation is a sidebar with 'My Projects' and 'Profile' buttons, where 'Profile' is highlighted. The main content area displays the user's profile information in grey rounded boxes: First Name : Aarav, Last Name : Patel, Email : aaravpatel@gmail.com, Birth Date : 1-2-1998, Contact No. : 9000090000, Joining Date : 18-11-2023, and Role : Employee. A placeholder profile picture is shown. At the bottom, there's a footer with 'Xpense Tracker' logo, 'Company Address' (with a location pin icon), and 'Contact Information' (with a dropdown arrow). Below the footer is a table comparing features and outcomes.

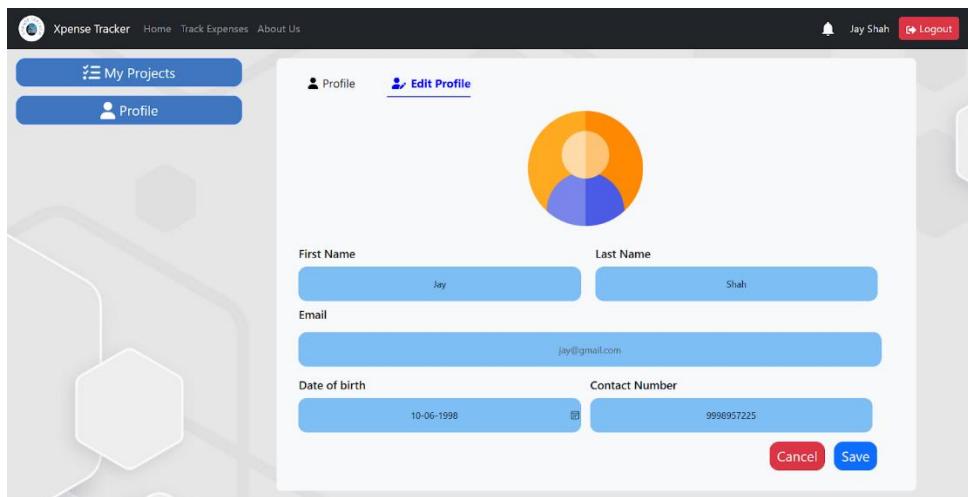

Feature	Outcome
Edit Profile Button	Works Properly
Invites Button	Works Properly

## 7. Profile Page for Manager:

The screenshot shows the Manager Profile page. The layout is similar to the employee page, with 'Xpense Tracker' logo, 'Home', 'Track Expenses', 'About Us', 'Hardik Mehta', and 'Logout' at the top. The sidebar has 'My Projects' and 'Profile' buttons, with 'Profile' selected. The profile information for Hardik Mehta is displayed: First Name : Hardik, Last Name : Mehta, Email : hardikhm1503@gmail.com, Birth Date : 15-2-2003, Contact No. : 6353811765, Joining Date : 25-11-2023, and Role : Manager. A placeholder profile picture is shown. The footer includes 'Company Address' (with a location pin icon) and 'Contact Information' (with an email icon and phone number). Below the footer is a table comparing features and outcomes.

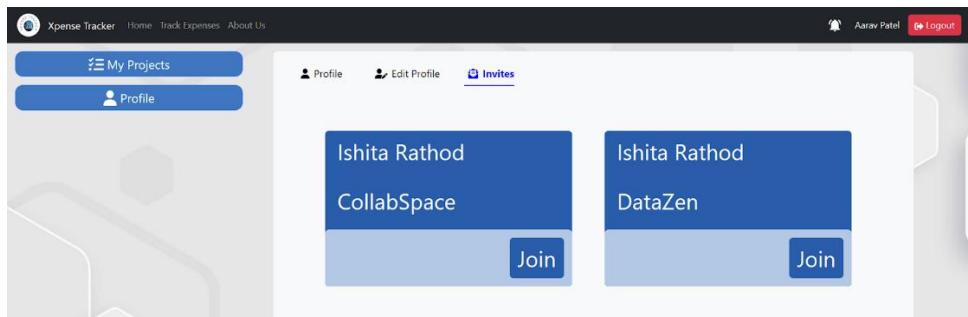

Feature	Outcome
Edit Profile Button	Works Properly

## 8. Edit Profile Page for Employee/Manager:

Feature	Outcome
First Name Text Field	Works properly
Last Name Text Field	Works properly
Email Field	Cannot be edited
Date of Birth Field	Works Properly
Date Button	Displays Valid Dates
Contact Number Field	Works properly
Cancel Button	Works properly, Discards changes and redirects to profile page
Save Button	Works Properly, edits any changes provided
Profile Link Header	Works properly, redirects to profile page
Edit Profile Link Header	Works properly

## 9. Invites Page for Employee Profile:

Feature	Outcome
Join Button	Works Properly

## 10. HamButtons for Employee Profile:

The screenshot shows the Xpense Tracker application interface. The top navigation bar includes the logo, 'Xpense Tracker', 'Home', 'Track Expenses', and 'About Us'. On the right, there are 'Logout' and a notification bell icon. The left sidebar contains five blue buttons: 'My Projects', 'Project Home', 'Project Dashboard', 'Project Expenses', and 'Profile'. The main content area features a large banner for 'Even Project' by 'Himanshu Vachhani', which includes various icons related to project management and technology. Below the banner is a text input field with placeholder 'Type your announcement here' and a blue 'Submit' button.

Feature	Outcome
My Projects Button	Works properly, redirects to projects page
Project Home Button	Works properly, redirects to project homepage
Project Dashboard Button	Works properly, redirects to project dashboard
Project Expenses Button	Works properly, redirects to expenses page
Profile Button	Works properly, redirects to profile page

## 11. HamButtons for Manager Profile:

The screenshot shows the Xpense Tracker application interface. The top navigation bar includes the logo, 'Xpense Tracker', 'Home', 'Track Expenses', and 'About Us'. On the right, there are 'Logout' and a notification bell icon. The left sidebar contains six buttons: 'My Projects', 'Project Home', 'Project Dashboard', 'Project Expenses', 'Project Analytics' (which is highlighted in black), and 'Profile'. The main content area features a banner titled 'Homecoming' with the description 'Working for the Homecoming Project'. It lists 'Manager' (Jay Shah, jay@gmail.com) and 'Employees' (JAINIL PATEL, jainil@gmail.com). There are also 'Manager' and 'Employee' buttons at the bottom right.

Feature	Outcome
My Projects Button	Works properly, redirects to projects page
Project Home Button	Works properly, redirects to project homepage
Project Dashboard Button	Works properly, redirects to project dashboard
Project Expenses Button	Works properly, redirects to expenses page
Profile Button	Works properly, redirects to profile page

## 12. Notifications Page for Employee Profile:

The screenshot shows the 'Notifications' section of the Xpense Tracker application. At the top, there's a header bar with the logo, 'Xpense Tracker', and navigation links for 'Home', 'Track Expenses', and 'About Us'. On the right side of the header are icons for notifications ('Bell'), user profile ('Aarav Patel'), and logout ('Logout'). Below the header, the title 'Notifications' is displayed in blue. The main content area lists four notifications, each with a blue circular icon, a message, a timestamp, and a 'Mark as read' button.

Feature	Outcome
View Invitation Button	Works properly, redirects to Invites page
Expense Name Button	Works properly, redirects to the Expense Details page of that expense
Mark as read Button	Works properly, marks the notification as read and removes it from Notifications

## 13. Notifications Page for Manager Profile:

The screenshot shows the 'Notifications' section of the Xpense Tracker application for a manager profile. The layout is similar to the employee version, with a header bar, 'Notifications' title, and a list of four notifications. Each notification includes a 'View Project' button, a timestamp, and a 'Mark as read' button.

Feature	Outcome
View Project Button	Works properly, redirects to the Project Dashboard of that project
Expense Name Button	Works properly, redirects to the Expense Details page of that expense
Mark as read Button	Works properly, marks the notification as read and removes it from Notifications

Feature	Outcome
View Project Button	Works properly, redirects to the Project Dashboard of that project
Expense Name Button	Works properly, redirects to the Expense Details page of that expense
Mark as read Button	Works properly, marks the notification as read and removes it from Notifications

#### 14. Create Project Page for Manager Profile:

The screenshot shows the 'Create New Project' interface. On the left, there's a sidebar with a hexagonal background pattern. In the center, there's a large blue header with the title 'Create New Project'. Below the title are four input fields: 'Project Name' (containing 'Cloudify'), 'Budget Amount' (containing '250000'), 'Alert Limit' (containing '71'), and a 'Project Description' field with placeholder text: 'Optimize scalability, flexibility, and resource utilization by transitioning to cloud-based services with Cloudify. This project unlocks the potential of the cloud.' At the bottom of the form are two buttons: 'Create Project' and 'Cancel'.

Feature	Outcome
Project name Text Field	Works Properly
Budget Amount Field	Works Properly
Alert Limit Field	Works Properly
Project Description Field	Works Properly
Create Project button	Works Properly
Cancel button	Works Properly

## 15. My Projects Page for Employee Profile:

The screenshot shows the 'My Projects' page for an employee named Keyur Govrani. At the top, there's a navigation bar with links for 'Home', 'Track Expenses', and 'About Us'. On the right, there are buttons for 'Logout' and a notification bell. Below the navigation, there are two blue buttons: 'My Projects' and 'Profile'. A dark blue sidebar on the right displays the user's name, 'Cloudify', and 'Keyur Govrani'. The main area features a light gray background with abstract hexagonal shapes.

Feature	Outcome
Click on Project Card	Works Properly, redirects to Project Home

## 16. My Projects Page for Manager Profile:

The screenshot shows the 'My Projects' page for a manager named Ishita Rathod. The layout is similar to the employee version, with a navigation bar at the top and a 'Logout' button on the right. The 'Profile' button is highlighted in blue. The main area lists three projects: 'CollabSpace' (Ishita Rathod), 'DataZen' (Ishita Rathod), and 'AgileX' (Ishita Rathod). Each project card has a blue '+' button on the right side.

Feature	Outcome
Click on Project Card	Works Properly, redirects to Project Home
Add Project '+' Button	Works Properly, redirects to create project page

## 17. Project Stream for Employee Profile:

The screenshot shows the 'Stream' section of the Xpense Tracker application. On the left, there is a sidebar with icons for 'My Projects', 'Project Home', 'Project Dashboard', 'Project Expenses', and 'Profile'. The main area is titled 'Stream Team Members' and features a blue-toned background with various icons related to projects and management. At the top right, there are notifications for 'User1 User1' and a 'Logout' button. Below the title, it displays the user's name 'sdcd' and 'Himanshu Vachhani'. There is a text input field labeled 'Type your announcement here' and a 'Submit' button. A section titled 'Announcements' is present but currently empty.

This screenshot shows the same Stream page as above, but with a success message at the top right: 'Announcement sent successfully!' with a green checkmark icon. The rest of the interface is identical to the first screenshot, including the sidebar, user information, and empty announcements section.

This screenshot shows the Stream page with two sections: 'Manager' and 'Team Members'. The 'Manager' section lists 'Himanshu Vachhani'. The 'Team Members' section lists 'User1 User1'. The rest of the interface, including the sidebar and overall layout, remains consistent with the previous screenshots.

Feature	Outcome
Stream Button	Works properly, redirects to project stream
Announcement Submit Button	Works properly, Announcement shows properly
Team members Button	Works properly, redirects to team members page

## 18. Project Stream for Manager Profile:

This screenshot shows the 'Stream' section of the Xpense Tracker application. At the top, there's a navigation bar with the 'Xpense Tracker' logo, 'Home', 'Track Expenses', and 'About Us' links. On the right, there are 'Logout' and a notification bell icon. Below the navigation, a sidebar on the left contains buttons for 'My Projects', 'Project Home', 'Project Dashboard', 'Project Expenses', 'Project Analytics', and 'Profile'. The main content area is titled 'Stream' and 'Team Members'. It features a large banner with a blue background showing various icons related to projects and management. Overlaid on the banner is the text 'Testing Project' and 'Ayush Patel'. To the right of the banner is an 'Edit Project' button. Below the banner is a text input field with placeholder text 'Type your announcement here.' and a 'Submit' button. A section titled 'Announcements' follows, which is currently empty.

This screenshot shows the same 'Stream' section after an announcement has been submitted. The 'Announcements' section now contains a single entry: 'Testing Announcement by Ayush' followed by the timestamp 'Ayush Patel | 25 Nov 2023, 20:02'. The rest of the interface remains the same, including the sidebar and the banner.

This screenshot shows a modal window titled 'Edit Project'. The modal contains fields for 'Project Name' (set to 'Testing Project'), 'Budget' (set to '7000'), 'Alert Limit' (set to '70'), and a 'Description' text area containing the text 'This project is created for testing purpose.'. At the bottom of the modal are 'Cancel' and 'Save' buttons. The background of the main page shows a dark blue circular graphic.

Feature	Outcome
Stream Button	Works properly, redirects to project stream
Announcement Submit Button	Works properly, Announcement shows properly
Edit Project Button	Works properly, redirects to edit project page
Team members Button	Works properly, redirects to team members page

## 19. Team Members Page for Employee Profile:

The screenshot shows the Xpense Tracker application interface. At the top, there is a navigation bar with the logo 'Xpense Tracker', links for 'Home', 'Track Expenses', and 'About Us', and a user dropdown for 'User1 User1' with a 'Logout' button. On the left, a sidebar contains buttons for 'My Projects', 'Project Home', 'Project Dashboard', 'Project Expenses', and 'Profile'. The main content area has a 'Stream' dropdown set to 'Team Members'. Below it, a section titled 'Manager' displays the profile of 'Himanshu Vachhani'. Another section titled 'Team Members' lists 'User1 User1'. The background features a light gray abstract design.

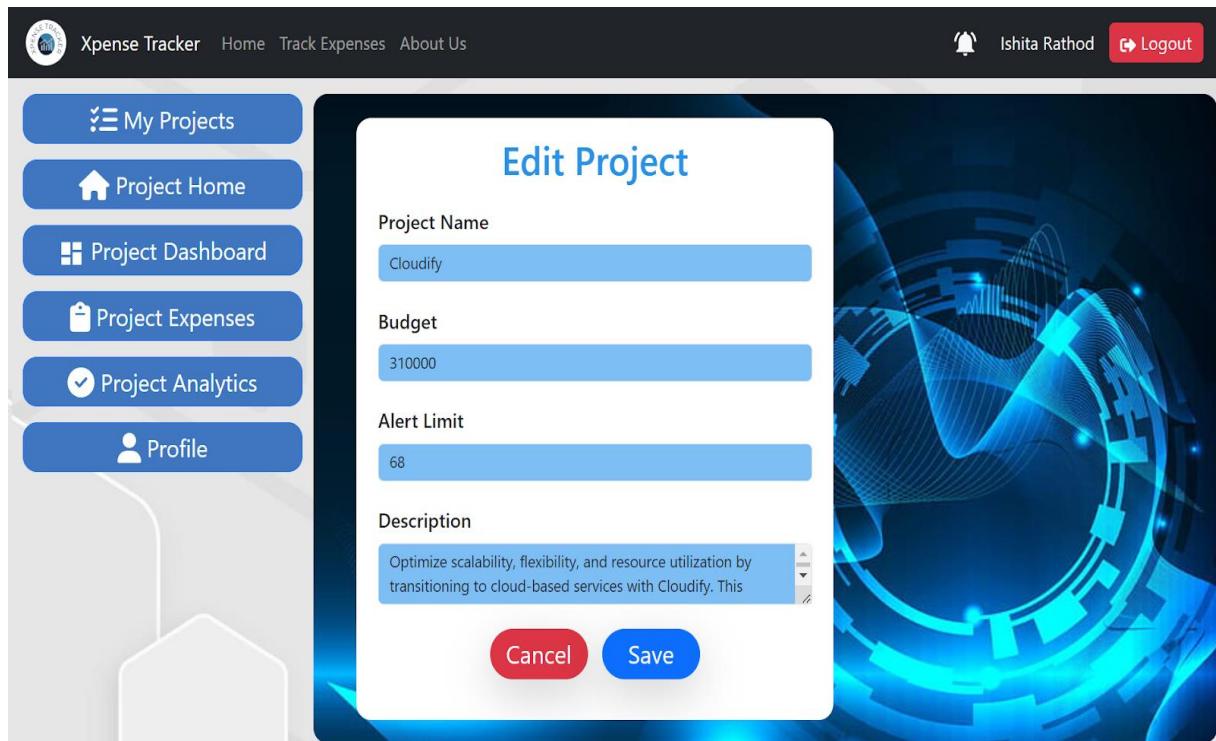

Feature	Outcome
Stream Button	Works properly, redirects to project stream
Team members Button	Works properly, redirects to team members page

## 20. Team Members Page for Manager Profile:

The screenshot shows the Xpense Tracker application interface. At the top, there is a navigation bar with the logo 'Xpense Tracker', links for 'Home', 'Track Expenses', and 'About Us', and a user dropdown for 'Ayush Patel' with a 'Logout' button. On the left, a sidebar contains buttons for 'My Projects', 'Project Home', 'Project Dashboard', 'Project Expenses', 'Project Analytics', and 'Profile'. The main content area has a 'Stream' dropdown set to 'Team Members'. Below it, a section titled 'Manager' displays the profile of 'Ayush Patel'. Another section titled 'Team Members' lists 'User1 User1'. A button labeled 'Invite Members' is visible on the right side of the 'Team Members' section. The background features a light gray abstract design.

Feature	Outcome
Stream Button	Works properly, redirects to project stream
Team members Button	Works properly, redirects to team members page
Invite Members Button	Works properly, redirects to invite employees page

## 21. Edit Project Page for Manager Profile:

Feature	Outcome
Project Name Text Box	Works properly
Budget Text Box	Works properly
Alert Limit Text Box	Works properly
Description Text Box	Works properly
Cancel Button	Works properly, discards the changes made and returns to Announcements page
Save Button	Works properly, submits the changes made and returns to Announcements page

## 22. Project Dashboard for Employee Profile:

The screenshot shows the Xpense Tracker Project Dashboard for the 'Cloudify' project. The top navigation bar includes 'Home', 'Track Expenses', 'About Us', and user information for 'Aarav Patel'. The left sidebar has links for 'My Projects', 'Project Home', 'Project Dashboard', 'Project Expenses', and 'Profile'. The main content area displays the 'Cloudify' project summary: 'Optimize scalability, flexibility, and resource utilization by transitioning to cloud-based services with Cloudify. This project unlocks the potential of cloud technology for enhanced operational efficiency.' Below this is a 'Total Budget' section showing a donut chart with a total budget of ₹ 310000. The chart indicates 87.5% used money (₹ 26888) and 12.5% remaining money. A table lists six employees with their names, email addresses, and 'Employee' status.

Employee	Email
1. Aarav Patel	aaravpatel@gmail.com
2. Abhay Mishra	abhaymishra@gmail.com
3. Ananya Goenka	ananyagoenka@gmail.com
4. Arjun Verma	arjunverma@gmail.com
5. Neha Sharma	nehasharma@gmail.com
6. Sanya Gupta	sanyagupta@gmail.com

This screenshot is identical to the one above, showing the Xpense Tracker Project Dashboard for the 'Cloudify' project. It displays the same project summary, budget details, and employee list.

This screenshot is identical to the ones above, showing the Xpense Tracker Project Dashboard for the 'Cloudify' project. It displays the same project summary, budget details, and employee list.

Functionality	Outcome
Hover over Pie Portion in Total Budget Pie	Works Properly, shows value corresponding to that portion
Click on Pie Portion in Total Budget Pie	Works Properly, enlarges the selected portion
Click on Label in Total Budget Pie	Works Properly, enlarges the portion corresponding to the selected label

Cancel button	Works Properly

## 27. Expense Details for Employee Profile:

The screenshot shows the 'Expense Details' page for a team lunch meeting on November 16, 2023. The total amount is ₹900, attributed to 'Food' by 'Aarav Patel'. The description states: 'Covered expenses for a team lunch meeting to discuss project updates and milestones.' There are two buttons at the bottom: 'View Bill' (blue) and 'Rejected' (red). A sidebar on the left lists 'My Projects', 'Project Home', 'Project Dashboard', 'Project Expenses', and 'Profile'. The top right shows the user 'Aarav Patel' and a 'Logout' button. A banner at the top right displays 'Remaining Budget: ₹271340'.

The screenshot shows a flight booking confirmation for a flight from Bangkok (BKK) to Los Angeles (LAX) on August 26, 2018. The total price is \$1624.00. The page includes sections for 'Important Information', 'Price Summary', and 'Additional Flight Services'. It also contains terms and conditions and a note about checked luggage fees.

Functionality	Outcome
View Bill Button	Works Properly, redirects to google drive link of the uploaded bill

## 28. Expense Details for Manager Profile:

**Expense Details**

**Description**  
Purchased small gifts to recognize and appreciate the hard work of Cloudify project team members.

**Contribution in Total Spent Budget**  
Percent: 0

**Actions:** View Bill, Approve, Reject

**Flight Summary**

- Transit 1: Adult: \$1624.00
- Flight: \$1624.00
- Tax: \$0.00
- Expense Booking Fee: \$0.00
- Total: \$1624.00

**Additional Flight Services**

The order may charge additional fees for checked luggage or other optional services.

Functionality	Outcome
View Bill Button	Works Properly, redirects to google drive link of the uploaded bill
Accept Button	Works Properly
